**Commissioner for Patents**

The reply brief filed February 12, 2007 has been entered and considered. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.

Additionally, it should be noted that the IDS filed on 04/03/07 and 02/22/07 has been considered. However, the information disclosure statement (specifically Korean reference 1995-34531) filed February 22, 2007 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is not in the English language. It has been placed in the application file, but the information referred to therein has not been considered.
